## **WTSC Hosted Meets Volunteer Policy**

Washington Township Swim Club normally hosts three meets per year. We host these meets to provide quality competitive opportunities for our swimmers, provide opportunities for parents to become involved in our organization and support their children, and to promote and build the WTSC community. These meets are also our most important and lucrative fund-raising activity. **By joining our team, each family is committing to volunteer for three (3) working jobs for the first registered swimmer or six (6) working jobs for two or more swimmers at each WTSC-hosted meet.** This commitment applies regardless as to whether your swimmer(s) is participating in the meet or not. Failing to sign-up & volunteer for three (3) working jobs for the first registered swimmer or six (6) working jobs for two or more swimmers will result in a \$50.00 fee per session being applied to your account. If you will be out of town or unavailable during the meet there are many things that need to be done prior to the meet, just note on your volunteer form if that is the case and you will be contacted regarding what you can do to help when the time comes. Sign-up sheets for specific jobs and times will be available online in the month preceding the meet.

For 2011-2012 our meets are scheduled for:

**November 18-20, 2011**

**January 27-29, 2012**

**Mid to late July 2012**

Swimmers will not be entered into any meets until this completed form is received by the WTSC.

## **VOLUNTEER COMMITMENT FORM**

We understand it is our responsibility to work three (3) working jobs for the first registered swimmer or six (6) working jobs for two or more swimmers at the following three (3) meets: **November 18-20, 2011, January 27-29, 2012 and mid to late July 2012.** We understand that if WTSC determines that the success of our meets is being jeopardized by low member participation, families who are unable or unwilling to honor this commitment will be assessed a financial penalty per session to ensure that we can provide enough staffing at the meets and achieve our budget.

**WTSC Fees for 2011-2012**

**What are the basic fees?**

There are two components to the fees paid to WTSC:

- **Administration Fee** – composed of two parts:
  - **USA Swimming Registration Fee** – All swimmers, except Swim America levels 1-6, are required to pay this \$54 fee. Your benefits: secondary accident insurance, eligibility to enter swim meets, bi-monthly issues of *Splash* magazine, eligibility to participate in USA Swimming and Indiana Swimming programs such as camps.
  - **Registration Fee** – A \$21.00 fee is required for registration. This fee will cover the cost of the software that enables registration to occur online as well as the administration side (upkeep) of the system.
- **Coaching Fee** – The largest component of your fees is dedicated to pay the salaries of our professional staff. The yearly amount of these fees is listed below. We offer two payment plans: a monthly plan which involves paying \$300 initially with the balance spread out over 8 months (please refer to the chart for amounts), or a one-time payment, which includes a 5% discount. No discounts are available for the Stay-in-Shape group.

**Other financial components**

- **Scholarships** – WTSC offers a scholarship program for those families in the Washington Township School District's free or reduced lunch plan.
- **Sibling Discounts** – WTSC offers discounted fees for multiple swimmers from the same family. A discount of 15% is applied to the Coaching Fee Balance of the second swimmer, and 30% to the Coaching Fee Balance of the third swimmer. There is no charge for the fourth or more swimmers. The "order" is determined from highest fee group to lowest fee group: Seniors, Tsunami, Crest, Breakers, and Whitecaps. No discounts are available for the Stay-in-Shape group. **All swimmers are required to pay the USA Swimming Registration Fee.**
- **Entry Fees** – Swimmers are also responsible for paying entry fees to all competitions in which they compete. These fees vary depending on type of competition and the number of events entered and can range from a total of \$30-\$40 per meet.
- **Fundraising** – WTSC needs to raise additional funds beyond coaching fees to support our effort to maintain a reasonable fee structure while providing the highest quality program possible for our members.
  - **Swim Meets** – Our most important and lucrative fund-raising activity is hosting swim meets.

**WTSC Hosted Meets Volunteer Policy**

Washington Township Swim Club normally hosts three meets per year. For 2011-2012, they are scheduled for **November 18-20, 2011, January 27-29, 2012, and mid to late July 2012.** We host these meets for three very important reasons. First, we strive to provide quality competitive opportunities for our swimmers and opportunities for parents to become involved in our organization and support their children. Second, these meets help to promote and build the WTSC community. Finally, these meets are a significant source of revenue for the club, enabling us to maintain a reasonable fee structure while providing the highest quality program possible for our members. **By joining our team each family is committing to volunteer for 3 working positions for the first registered swimmer or six working jobs for two or more swimmers at each WTSC-hosted meet. This responsibility is still yours even if your child is not competing in the meet.** Sign-up sheets for specific jobs and times will be available online in the month preceding the meet. If WTSC determines that the success of our meets is being jeopardized by low member participation, families who are unable or unwilling to honor this commitment will be assessed a \$50.00 financial penalty per session to ensure that we can provide adequate staffing at the meets and achieve our budget.
