

SWIM CLUB SPONSORSHIP

WHY SPONSOR?

Join us in supporting the Washington Township Swim Club! Your sponsorship not only helps nearly 100 youth swimmers, but also promotes your business to families, local events, and our social media followers. Most importantly, it supports the life-saving mission of teaching children in Indianapolis how to swim—the number one survival skill.

Through our **Learn to Swim program**, children gain the skills and confidence they need to be safe around water. At the program's conclusion, swimmers have the opportunity to join our competitive team, continuing their development in a supportive, team-based environment. Sponsorship ensures that all swimmers—regardless of background—have access to the equipment and resources they need to take part.

Your business will also gain visibility on our website, team shirts, and during up to five meets hosted by WTSC each year, which draw over 1,000 swimmers and their families from across the Midwest. Additionally, North Central High School hosts multiple high-profile events including Sectionals, making our facility a central hub for Indiana swimming.

Indianapolis was proud to serve as the **host city for the 2024 U.S. Olympic Swim Trials**, cementing its role as a national swimming capital. The city will again take the stage in **2028**, when the Trials return to **Lucas Oil Stadium**—an unprecedented opportunity to grow the sport and strengthen the swim community in central Indiana.
